

**American Public Works Association – North Carolina Chapter
Streets Division Scholarship Nomination**

- A \$1500 Scholarship will be awarded to a student attending a 4-year college and majoring in the field of engineering or public works. Other coursework will be considered if no other applications are received for engineering or public works.
- A \$1500 scholarship will be awarded to an employee in the public works field who is attending a school of higher learning to advance his or her career.
- The intent is to award one scholarship in each category; however, two scholarships in one category may be awarded for applicants exhibiting exceptional qualifications.
