

APWA NC F&G 2026 Fall Event

A New Pace for 2026: We're shifting gears! While we've traditionally gathered for our annual skeet shooting event, this year we're bringing the competition to the track at Andretti Indoor Karting.

Join the APWA-NC Facilities & Grounds Division for a full day of professional development, including 2 one-hour educational sessions, a catered lunch, and high-speed networking. It's the same great community and competition you expect, just with a high-octane new twist.

Cost is \$50.00 per participant. For those looking for even more excitement, participants will also have access to additional attractions like laser tag, racing simulators, or the 7D Xperience for an additional fee.

We are looking forward to this high-energy event and hope you can join us for a day of learning and fast-paced fun!.

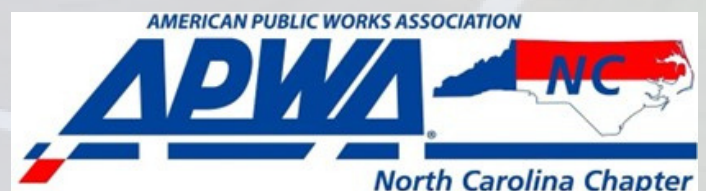

Sincerely,
Steve Gearren
President, APWA-NC Facilities & Grounds Division
